

# Outcomes and Objectives

## National Community Hubs Program

Child Outcomes	Family Outcomes	School Outcomes	Community Outcomes
1. Migrant children enjoy and succeed in school and achieve optimal health, development and wellbeing.	2. Migrant families function well, have the capacity, confidence and skills to nurture child learning and are connected, active participants in the community and workforce.	3. Schools respond to the needs and aspirations of migrant children and families.	4. Community services respond early and effectively to migrant child and family needs.
Objectives	Objectives	Objectives	Objectives
1.1 To increase the participation of migrant children in a range of early childhood development activities including kindergarten.	2.1 To increase the participation of migrant families in English language, literacy learning, parenting, and community activities.	3.1 To increase the awareness of, and connection of schools, to early years and community services.	4.1 To increase community service connection, availability and accessibility to migrant families.
1.2 To increase the language and literacy skills of migrant children upon starting school.	2.2 To increase the English language, literacy and vocational skills of migrant families for workforce participation.	3.2 To increase school engagement and connections with migrant families to support child learning outcomes.	4.2 To increase community service connections with schools and other agencies.
1.3 To increase the prompt identification and response to migrant children's needs and issues.	2.3 To increase migrant family knowledge of, and access to, available services and assistance.	3.3 To increase school capacity to have collaborative partnerships with families.	4.3 To increase service coordination and collaboration to meet the needs of families and their children across the community.
	2.4 To increase social networks for migrant families leading to strong social cohesion and involvement in decision making processes.		
	2.5 To increase migrant family engagement and skills in nurturing child learning and development.
